

- **For the Monte Carlo Chart** (which is saved directly in the **reports/** folder), verify this line is written in your Markdown:

```
![Monte Carlo Simulation](./monte_carlo_projection.png)
```

- **For the Rolling Sharpe Chart** (which is saved in the **notebooks/** folder), verify this line is written in your Markdown to go "up" one level and into the **notebooks** folder:

```
![Rolling Sharpe Chart](../notebooks/rolling_sharpe_chart.png)
```
